The Victor Harbor Yacht Club is an accredited Australian Sailing - Discover Sailing Centre. The Centre is managed by Southern Ocean Sailing Centre, a sub-committee of the Victor Harbor Yacht Club.

FREE Discover Sailing Days

The Club programs a number of Discover Sailing Days which provide people interested in becoming involved in sailing. This is a great way to wet your appetite. You will be given the opportunity to take to the water in a Pacer dinghy with an experienced sailor, or on one of the regular fleet racing boats.

Want to get involved?

Join one of our courses run by our Discover Sailing Director, Ian Porteous. Ian has been sailing and instructing for many years and is helped by a team of talented instructors and assistant instructors. Ian also runs a number of school teams racing programs with local schools.

Participants are provided with an Australian Sailing Log Book and a Course Book.

Ian can be contacted on 0439 628 484, or for more information check out the Discover Sailing at Victor Facebook page, find out what Teams Racing is, or read about the different types of courses on offer at Discover Sailing.
